## MESSAGE FROM THE HEAD OF ATHLETICS AT HARVARD-WESTLAKE SCHOOL

August 2016

Welcome to Wolverine Football!

As we move into our third season in the Angelus League, our team is primed to take another step forward. Last year's league co-championship team, made a deep run in the playoffs and provided a solid foundation to build on. Eight seniors will provide the leadership for what should be another amazing year.

Our season begins on August 26, with a road game at Birmingham High School. Other notable games include home games against Jefferson, Garfield and Dominguez and a non-league road game against El Camino Real. We begin Angelus league play at home versus Salesian, and look forward to homecoming versus St. Paul on October 15. Senior night is against St. Francis on October 21, and the season finale is at Cathedral. As is the case every year, we must play our best football in October and November.

A great season would not be possible without the help of the faculty, staff, family and friends that support Wolverine Football throughout the year. When we have success this year, we hope you take pride in the role you played that helped make it happen.

Thank you for your support and go Wolverines!

# HARVARD-WESTLAKE ATHLETIC FACILITIES

The Copses Family Pool on Harvard-Westlake's upper school campus is a 50-meter pool, manufactured by Myrtha Pools in Mantua, Italy.

The stainless-steel pool features a surge tank underneath the pool deck to keep the water level, which reduces water resistance for swimmers. The facility also includes a pool house and bleachers.

The Copses Pool is home to Harvard-Westlake's 2013 CIF-SS Boys' Water Polo Division I Champions, who were also named Totalwaterpolo.com's #1 ranked team in the United States.

The recently renovated O'Malley Family Field in Encino, is Harvard-Westlake's state-of-the-art baseball complex, featuring professional grade turf, drainage and irrigation systems, dugouts, bullpens, clubhouse and a covered hitting facility behind the right-field fence.

O'Malley Field is home to HW's 2013 CIF-SS Division I Baseball Champions, who were also named the *2013 Perfect Game High School National Champions*.

The Taper Gymnasium is located on Harvard-Westlake's Upper School Campus.

Its walls, festooned with league, CIF-Southern Section, State and National Championship banners tells of the storied Wolverine athletic program.

Taper gym is home of the Wolverine Basketball and Volleyball programs.

Ted Slavin Field is located on the Upper School Campus. Built in 2003, it features an NFL-caliber Field Turf surface and a synthetic track.

It is the proud home of Wolverine Football, Soccer, Track & Field, Lacrosse, and Field Hockey.

Many of our student athletes who have graced the Ted Slavin field have gone on to professional, Olympic and collegiate success in their chosen sports.

## HARVARD-WESTLAKE SPORTS MEDICINE

The Harvard-Westlake School Sports Medicine Program provides injury prevention, care and treatment services to the school's student-athletes. The Sports Medicine Program strives to establish itself as a model of excellence in sports medicine care.

Our services are categorized into the following areas: injury prevention (taping, bracing, padding, orthotic construction), management of athletic injuries (first aid, evaluation, referral, contest coverage) and rehabilitation of athletic injuries. We educate student-athletes about athletic injuries so they are empowered to lead healthier, injury-free lives. We use the best technology available for the prevention and treatment of athletic injuries and upgrade equipment and supplies whenever necessary.

There are four main goals of the Sports Medicine Program:

- Provide efficient and timely care to our student-athletes.
- Encourage an atmosphere that values health and wellness.
- Enable injured student-athletes to safely return to competition as soon as possible.
- Reduce the risk of athletic injury for our student-athletes.

We work closely with the strength and conditioning program, the coaches, the athletic support staff, school administration, physicians and other healthcare providers to provide the best possible healing environment for our student-athletes.

# HEAD OF HARVARD-WESTLAKE FOOTBALL PROGRAM

**SCOT RUGGLES**  
**HEAD OF PROGRAM**  
**HARVARD-WESTLAKE FOOTBALL**

**Scot Ruggles**, Harvard-Westlake's Head Football Coach, is looking forward to competing in this year's Angelus league as defending co-champions. The focus of Coach Ruggles and his dedicated staff is to continue to teach the players the fundamental skills and instill the work ethic that is required to achieve success at the highest level.

Ruggles has great experience as a coach at both the high school, collegiate and professional level. He started his coaching career at the University of New Hampshire where he worked under offensive coordinator Chip Kelly. Ruggles next moved to Marshall University, helping them win the GMAC Bowl and achieve a top 20 ranking in the NCAA polls. After spending a season with the Colorado Crush of the Arena Football League, he returned to the college ranks, with stints at Central Connecticut State University, University of Missouri-Rolla and Harvard University. At the high school level, Ruggles has worked at St. Genevieve and St. Anthony.

In 2011, Ruggles joined the Wolverine football program as the offensive coordinator directing a unit that averaged over 350 yards and 31 points per game. Now, as the program's Head Coach Ruggles is inspired by the responsibility of improving the performance of the entire program.

Ruggles oversees every level of football at Harvard-Westlake, grades 7-12. His familiarity with the school community and high football IQ make him the perfect choice to lead the Wolverines.

*"In 2016 our team and staff will continue to strive to become a first class football program," said Ruggles. "We look forward to providing excitement on Friday nights and hope to see the whole community at Wolverine football games this year."*
