

HARVARD-WESTLAKE

When you think of Harvard-Westlake, the teachers may be the first folks who come to mind. But without the staff who tirelessly work behind the scenes, from the individuals who welcome visitors to the school and answer the phones to those who maintain the facilities and beautify the campus, Harvard-Westlake would not function. Today, we gratefully salute all the people whose hard work makes a difference outside the classroom.

Cheers, Ed Hu | Head of External Relations | ehu@hw.com
