## MESSAGE FROM THE HEAD OF ATHLETICS AT HARVARD-WESTLAKE SCHOOL

August 2017

Welcome to the Wolverines Girls' Volleyball program at Harvard-Westlake.

The Wolverines Girls' Volleyball program has a long tradition of competitive excellence. In 2013, we won our 17th Mission League championship, adding to our six CIF-SS championships and four State titles.

We have watched several great teams and many outstanding girls' volleyball players grace the courts of the Taper Gymnasium. In addition to talented players we also have a rich history of great coaching on campus.

Hayley Blanchard is Harvard-Westlake's new Girls' Volleyball Program Head. Hayley was an outstanding high school and college volleyball player, where she developed a winning mentality. During her time playing for Mira Costa High School, she won 2 State and one National Championship. Blanchard played collegiately for Davidson College where she graduated as their third best assist leader in school history. Blanchard is also the Director of Surfside Volleyball Club in Manhattan Beach. In a very short time, the club is challenging at the top of the Southern California Volleyball Association.

Sustained success at the Varsity level can only be achieved by developing student-athletes from the middle through high school levels. Coach Blanchard oversees our vertically integrated program ensuring that our Middle and Upper school students are following a sequential program of age appropriate development.

The players and coaches are only part of the story when it comes to Wolverine Girls' Volleyball. Special thanks go to the parents, support staff and administrators that log countless hours in service to our school.

Thank you for your support of Wolverine athletics. I look forward to seeing you throughout the season.

Go Wolverines!

A handwritten signature in black ink, appearing to read "Terence Barnum".

Terence Barnum  
Head of Athletics

# HARVARD-WESTLAKE AT A GLANCE

**Harvard-Westlake School is an independent coeducational college preparatory day school, grades 7-12. It is the result of a merger between Harvard School, founded in 1900, and Westlake School for Girls, established in 1904. Coeducation began in September of 1991.**

## Student Profile

- 1600 students enrolled
- 727 at Middle School (Grades 7-9)
- 873 at Upper School (Grade 10-12)
- Student to Faculty Ratio: 8:1
- Average Class Size: 16

## Advanced Placement Results

In 2016, 6663 Harvard-Westlake students took 1,911 A.P. tests

## SAT Performance (Class of 2017)

Critical Reading: 701

Math: 729

Writing: 712

## National Merit Recognition

Harvard-Westlake ranks among the top high schools in the country in number of National Merit Semifinalists. In the class of 2017, there are 26 students who received National Merit Recognition, with 75 students with letters of commendation.

## Finances

Operating Budget:	\$76,019,320
Endowment:	\$75,085,263
Annual Giving:	\$ 8,004,323

## Financial Aid

For the 2016-17 academic year, a total of over \$10.8 million was committed to aid. This represented more than 14% of the school's entire operating budget. Roughly 300 students, or 19% of the student body, were served. Tuition grants awarded for demonstrated need averaged \$27,000 ranging from a few thousand dollars to 99% of tuition. Automatic coverage of many school-related expenses raised the total of an average financial aid package to \$32,500.

# HARVARD-WESTLAKE ATHLETIC FACILITIES

The Copses Family Pool on Harvard-Westlake's upper school campus is a 50-meter pool, manufactured by Myrtha Pools in Mantua, Italy.

The stainless-steel pool features a surge tank underneath the pool deck to keep the water level, which reduces water resistance for swimmers. The facility also includes a pool house and bleachers.

The Copses Pool is home to Harvard-Westlake's 2013 and 2014 CIF-SS Boys' Water Polo Division I Champions, who were also named Totalwaterpolo.com's #1 ranked team in the United States.

The recently renovated O'Malley Family Field in Encino, is Harvard-Westlake's state-of-the-art baseball complex, featuring professional grade turf, drainage and irrigation systems, dugouts, bullpens, clubhouse and a covered hitting facility behind the right-field fence.

O'Malley Field is home to HW's 2013 CIF-SS Division I Baseball Champions, who were also named the *2013 Perfect Game High School National Champions*.

The Taper Gymnasium is located on Harvard-Westlake's Upper School Campus.

Its walls, festooned with league, CIF-Southern Section, State and National Championship banners tells of the storied Wolverine athletic program.

Taper gym is home of the Wolverine Basketball and Volleyball programs.

Ted Slavin Field is located on the Upper School Campus. Built in 2003, it features an NFL-caliber Field Turf surface and a synthetic track.

It is the proud home of Wolverine Football, Soccer, Track & Field, Lacrosse, and Field Hockey.

Many of our student athletes who have graced the Ted Slavin field have gone on to professional, Olympic and collegiate success in their chosen sports.

# HARVARD-WESTLAKE S C H O O L

## Sports Performance

### **Purpose:**

Our purpose is to instill the movement vocabulary necessary for free self-expression in sport.

### **Mission Statement**

Through a holistic approach to training, our mission is to provide our student athletes with the movement and mental tools necessary to realize their highest level of skill development.

Using multidisciplinary training methods, and continual communication with sport coaches and sports medicine, we seek to physically prepare the student athlete for the rigors of competition, and increase their resilience to injury.

Our positive coaching atmosphere is designed to instill a championship attitude, and educate our student athletes so they are prepared to navigate their life-long journey toward health and fitness.

*Director of Sports Performance, Jeff Crelling*

### SPORTS MEDICINE

The Harvard-Westlake School Sports Medicine Program provides injury prevention, care and treatment services to the school's student-athletes. The Sports Medicine Program strives to establish itself as a model of excellence in sports medicine care.

Our services are categorized into the following areas: injury prevention (taping, bracing, padding, orthotic construction), management of athletic injuries (first aid, evaluation, referral, contest coverage) and rehabilitation of athletic injuries. We educate student-athletes about athletic injuries so they are empowered to lead healthier, injury-free lives. We use the best technology available for the prevention and treatment of athletic injuries and upgrade equipment and supplies whenever necessary.

There are four main goals of the Sports Medicine Program:

- Provide efficient and timely care to our student-athletes.
- Encourage an atmosphere that values health and wellness.
- Enable injured student-athletes to safely return to competition as soon as possible.
- Reduce the risk of athletic injury for our student-athletes.

We work closely with the strength and conditioning program, the coaches, the athletic support staff, school administration, physicians and other healthcare providers to provide the best possible healing environment for our student-athletes.

*Director of Sports Medicine, Brian Gallagher*

# HEAD OF HARVARD-WESTLAKE VOLLEYBALL PROGRAM

HARVARD - WESTLAKE SCHOOL

**HAYLEY BLANCHARD**  
**HEAD OF PROGRAM**  
**GIRLS' VOLLEYBALL**

**Hayley Blanchard**, comes to Harvard-Westlake from Mira Costa High School where she was named the Daily Breeze Coach of the Year after leading the Mustangs to the Bay League Championship and the CIF-SS Division I semi-final in 2016.

Hayley is a graduate of Mira Costa's volleyball program. During her time playing in the program, Hayley won a State Championship in 2005 and a State and National Championship in 2006.

Blanchard played collegiately for Davidson College where she was a four-year starting setter, graduating as their third best assist leader in school history.

Blanchard is the Director of Surfside Volleyball Club in Manhattan Beach. In a very short time, the club has grown from six to twenty teams and is challenging the traditional Southern-California powerhouse clubs for positioning at the top of the Southern California Volleyball Association. Thirteen Surfside clubs have qualified for the Junior National Championship in the first four years under Blanchard's leadership.

"I am extremely excited to join the Harvard-Westlake family as Head of the Girls' Volleyball Program," said Blanchard. "The opportunities for coaches and athletes at Harvard-Westlake can easily be compared to college. I feel very fortunate to be given the opportunity to work with such talented and motivated athletes and staff."

"We are very excited to have Hayley as our leader for girls' volleyball," said Terry Barnum, Head of Athletics at Harvard-Westlake. "She is a proven winner at the high school, college and club levels. She has demonstrated the ability to build a program, which was a key factor to her becoming our new Program Head. Her enthusiasm is contagious and we are delighted to welcome her into the Harvard-Westlake community."
