## MESSAGE FROM THE HEAD OF ATHLETICS AT HARVARD-WESTLAKE SCHOOL

August 2018

Welcome to the Wolverines Girls' Volleyball program at Harvard-Westlake.

The Wolverines Girls' Volleyball program has a long tradition of competitive excellence. In 2013, we won our 17th Mission League championship, adding to our six CIF-SS championships and four State titles.

We have watched several great teams and many outstanding girls' volleyball players grace the courts of the Taper Gymnasium. In addition to talented players we also have a rich history of great coaching on campus.

Hayley Blanchard is Harvard-Westlake's Girls' Volleyball Program Head. Hayley was an outstanding high school and college volleyball player, where she developed a winning mentality. During her time playing for Mira Costa High School, she won 2 State and one National Championship. Blanchard played collegiately for Davidson College where she graduated as their third best assist leader in school history. Blanchard is also the Director of Surfside Volleyball Club in Manhattan Beach. In a very short time, the club is challenging at the top of the Southern California Volleyball Association.

Sustained success at the Varsity level can only be achieved by developing student-athletes from the middle through high school levels. Coach Blanchard oversees our vertically integrated program ensuring that our Middle and Upper school students are following a sequential program of age appropriate development.

The players and coaches are only part of the story when it comes to Wolverine Girls' Volleyball. Special thanks go to the parents, support staff and administrators that log countless hours in service to our school.

Thank you for your support of Wolverine athletics. I look forward to seeing you throughout the season.

Go Wolverines!

# HARVARD-WESTLAKE ATHLETIC FACILITIES

The Copes Family Pool on Harvard-Westlake's upper school campus is a 50-meter pool, manufactured by Myrtha Pools in Mantua, Italy.

The stainless-steel pool features a surge tank underneath the pool deck to keep the water level, which reduces water resistance for swimmers. The facility also includes a pool house and bleachers.

The Copes Pool is home to Harvard-Westlake's 2013 and 2014 CIF-SS Boys' Water Polo Division I Champions, who were also named Totalwaterpolo.com's #1 ranked team in the United States.

The recently renovated O'Malley Family Field in Encino, is Harvard-Westlake's state-of-the-art baseball complex, featuring professional grade turf, drainage and irrigation systems, dugouts, bullpens, clubhouse and a covered hitting facility behind the right-field fence.

O'Malley Field is home to HW's 2013 CIF-SS Division I Baseball Champions, who were also named the 2013 *Perfect Game High School National Champions*.

The Taper Gymnasium is located on Harvard-Westlake's Upper School Campus.

Its walls, festooned with league, CIF-Southern Section, State and National Championship banners tells of the storied Wolverine athletic program.

Taper gym is home of the Wolverine Basketball and Volleyball programs.

Ted Slavin Field is located on the Upper School Campus. Built in 2003, it features an NFL-caliber Field Turf surface and a synthetic track.

It is the proud home of Wolverine Football, Soccer, Track & Field, Lacrosse, and Field Hockey.

Many of our student athletes who have graced the Ted Slavin field have gone on to professional, Olympic and collegiate success in their chosen sports.

### SPORTS MEDICINE

The Harvard-Westlake School Sports Medicine Program provides injury prevention, care and treatment services to the school's student-athletes. The Sports Medicine Program strives to establish itself as a model of excellence in sports medicine care.

Our services are categorized into the following areas: injury prevention (taping, bracing, padding, orthotic construction), management of athletic injuries (first aid, evaluation, referral, contest coverage) and rehabilitation of athletic injuries. We educate student-athletes about athletic injuries so they are empowered to lead healthier, injury-free lives. We use the best technology available for the prevention and treatment of athletic injuries and upgrade equipment and supplies whenever necessary.

There are four main goals of the Sports Medicine Program:

- Provide efficient and timely care to our student-athletes.
- Encourage an atmosphere that values health and wellness.
- Enable injured student-athletes to safely return to competition as soon as possible.
- Reduce the risk of athletic injury for our student-athletes.

We work closely with the strength and conditioning program, the coaches, the athletic support staff, school administration, physicians and other healthcare providers to provide the best possible healing environment for our student-athletes.

*Director of Sports Medicine, Brian Gallagher*

# HEAD OF HARVARD-WESTLAKE VOLLEYBALL PROGRAM

**HAYLEY BLANCHARD**

***HEAD OF PROGRAM***

***GIRLS' VOLLEYBALL***

**Hayley Blanchard**, comes to Harvard-Westlake from Mira Costa High School where she was named the Daily Breeze Coach of the Year after leading the Mustangs to the Bay League Championship and the CIF-SS Division I semi-final in 2016.

Hayley is a graduate of Mira Costa's volleyball program. During her time playing in the program, Hayley won a State Championship in 2005 and a State and National Championship in 2006.

Blanchard played collegiately for Davidson College where she was a four-year starting setter, graduating as their third best assist leader in school history.

Blanchard is the Director of Surfside Volleyball Club in Manhattan Beach. In a very short time, the club has grown from six to twenty teams and is challenging the traditional Southern-California powerhouse clubs for positioning at the top of the Southern California Volleyball Association. Thirteen Surfside clubs have qualified for the Junior National Championship in the first four years under Blanchard's leadership.

"I am extremely excited to join the Harvard-Westlake family as Head of the Girls' Volleyball Program," said Blanchard. "The opportunities for coaches and athletes at Harvard-Westlake can easily be compared to college. I feel very fortunate to be given the opportunity to work with such talented and motivated athletes and staff."

"We are very excited to have Hayley as our leader for girls' volleyball," said Terry Barnum, Head of Athletics at Harvard-Westlake. "She is a proven winner at the high school, college and club levels. She has demonstrated the ability to build a program, which was a key factor to her becoming our new Program Head. Her enthusiasm is contagious and we are delighted to welcome her into the Harvard-Westlake community."

## SENIORS CLASS OF 2019

### **#1 Eve Baxter**

**Favorite academic subject?** Psychology!

**What other extra-curricular activities are you involved in?** I am a peer support leader at HW and I like to do art in my free time.

**What or who inspired you to play volleyball?** My sister. When I was little I would watch all of her practices and practice passing and serving against the wall.

**Favorite volleyball memory at HW?** Last year we beat Temecula. We didn't have a huge crowd because of how far it was but we created so much energy ourselves and played a crazy game. I've never had so much fun playing and beating a team.

### **#4 Lindsey Kelly**

**Favorite academic subject?** Science and History

**What other extra-curricular activities are you involved in?** I'm involved in the National Charity League. I also like to read.

**What or who inspired you to play volleyball?** When my older sister started playing I became super interested in volleyball, and I always loved watching beach volleyball in the Olympics.

**Favorite volleyball memory at HW?** Beating Temecula last year during CIF.

**Favorite saying or quote?** You miss 100% of the shots you don't take.

## SENIORS CLASS OF 2019

### **#12 Bianca Bergsneider**

**Favorite academic subject?** It varies from year to year. This past year it was Environmental Science.

**What other extra-curricular activities are you involved in?** I am currently working at a UCLA genetics lab researching achondroplasia. I am also a co-leader of the Youth Ending Hunger Club which plans trips to the SAMO homeless shelter every month... open to all students 😊😊

**Favorite volleyball memory at HW?** Despite this not being directly relating to volleyball, a huge part of the HW program is the community that the team provides. So I would say my favorite memory was performing the High School Musical dance in front of the entire school to help a teammate ask a guy to formal.

**Favorite saying or quote?** "If you try the best you can, the best you can is good enough"

### **#14 Kiley Wallace**

**Favorite academic subject?** Science

**What other extra-curricular activities are you involved in?** I love art. I'm taking art classes every year at HW. I also interned at an art gallery, Honor Fraiser, and at an architecture firm, CMPeck. I also enjoy working with kids at Upward Bound House.

**What or who inspired you to play volleyball?** I was the tallest girl at my elementary school playing every sport except volleyball so my physical education teacher told me to try volleyball. A week later I joined my first volleyball club and fell in love with the sport.

**Favorite saying or quote?** "I have been up against tough competition all my life; I wouldn't know how to get along without it" Walt Disney

**Favorite academic subject?** History/English

**What other extra-curricular activities are you involved in?** I enjoy sculpture, and being a part of BLACC, and PSUPP.

**What or who inspired you to play volleyball?** Volleyball was the only sport I didn't make the "A" team in 5<sup>th</sup> grade. I chose to play because it was a sport where I had to work hard to exceed expectations.

**Favorite volleyball memory at HW?** The entire JV season. We were STELLAR.

**Favorite saying or quote?** "They don't think it be like it is but it do" – Oscar Gamble.

### **#20 Caroline Tilton**
