

HARVARD-WESTLAKE

From the Songwriting Club to Women in STEM, over 100 student clubs sought signups at this year's upper school Activities Fair. Some booths focused on identity and inclusivity, such as SASA (South Asian Students Alliance), Empower (HW's women's empowerment and gender equality club), and First-Gen Immigrant Ally Club; others, such as the American Red Cross Club, Special Olympics, and HW Outreach Performers, on community service; still others, like the Ultimate Frisbee Club, the Comedy Club, and the Board Game Club, on the joyful pursuit of fun. Students browsed booths covering the entire Harvard-Westlake track, snacking on giveaways like popcorn and shaved ice, while President Rick Commons took a dip in the Community Council dunk tank, adding to the festival feeling.
