MESSAGE FROM THE HEAD OF ATHLETICS HARVARD-WESTLAKE SCHOOL

August 2018

Welcome to Harvard-Westlake Football for the 2018 season!

This season is all about new beginnings. Our program has a new leader – as Mike Burnett begins his tenure as head coach. Coach Burnett is no stranger to Southern California, having coached at both Milken Community School and Santa Monica High School. For the past 12 years, he has coached in Virginia – first at Broad Run High School and then at Tuscarora High School. His teams enjoyed great success on the field and, as a result, he was named the 2015 Don Shula NFL High School Coach of the Year. We are excited to watch the positive impact Coach Burnett will have on our students' lives, not only on the field but in the classroom as well. Mr. Burnett will also teach AP Economics at the Upper School. Harvard-Westlake believes students should be strong academically, athletically and artistically and Coach Burnett is a strong example of our values.

The second “new beginning” is our league. We are now in the Del Rey League, with St. Anthony High School (Long Beach), St. Genevieve High School (Panorama City), St. Paul High School (Santa Fe Springs) and La Salle High School (Pasadena). This new league should produce competitive football games and with 14 seniors on the squad, our team should compete for a league championship. Before we begin league play, our non-league schedule filled with familiar faces and top-notch competition. We begin the year where we started last year, hosting the Birmingham Patriots at Ted Slavin Field. We won last year on the final play of the game and this year should be just as exciting. In week two, we travel to traditional CIF LA-City Section power Venice High School before heading to Crespi High School in week three. We have not played Crespi in football in over 15 years, so that atmosphere at Pierce College should be exciting. Our fourth game is on a Thursday night at Burroughs High School and then we return home in week five against Salesian High School. We close out the non-league schedule with a home game against powerhouse St. Francis High School. The strong competition we will face in the first six game should prepare us well for league play. This season is going to be special!

Success on the field would not be possible without the support of the Harvard-Westlake community. From parents and siblings to maintenance staff, athletic trainers, sports performance coaches and administrators – football is a team game. We are all in this together and our unwavering support is vital to the health and well-being of our athletes. Thank you for all that you do to help Wolverine Football shine.

Here's to a great season!

have success this year, we hope you take pride in the role you played that helped make it happen.

Thank you for your support and go Wolverines!

A handwritten signature in black ink, appearing to read "Terence Barnum", written over a light blue grid background.

Terence Barnum
Head of Athletics

HARVARD-WESTLAKE AT A GLANCE

Harvard-Westlake School is an independent coeducational college preparatory day school, grades 7-12. It is the result of a merger between Harvard School, founded in 1900, and Westlake School for Girls, established in 1904. Coeducation began in September of 1991.

Student Profile

- 1600 students enrolled
- 727 at Middle School (Grades 7-9)
- 873 at Upper School (Grade 10-12)
- Student to Faculty Ratio: 8:1
- Average Class Size: 16

Advanced Placement Results

In 2017, 663 Harvard-Westlake students took 1,911 A.P. tests

SAT Performance (Class of 2017)

Critical Reading: 701

Math: 729

Writing: 712

National Merit Recognition

Harvard-Westlake ranks among the top high schools in the country in number of National Merit Semifinalists. In the class of 2017, there are 26 students who received National Merit Recognition, with 75 students with letters of commendation.

Finances

Operating Budget:	\$79M
Endowment:	\$95M
Annual Giving:	\$8.3M

Financial Aid

For the 2016-17 academic year, a total of over \$11 million was committed to aid. This represented more than 14% of the school's entire operating budget. Roughly 300 students, or 20% of the student body, were served. Tuition grants awarded for demonstrated need averaged \$32,500 ranging from a few thousand dollars to 99% of tuition. Automatic coverage of many school-related expenses raised the total of an average financial aid package to \$32,500.

HARVARD-WESTLAKE ATHLETIC FACILITIES

The Copses Family Pool on Harvard-Westlake's upper school campus is a 50-meter pool, manufactured by Myrtha Pools in Mantua, Italy.

The stainless-steel pool features a surge tank underneath the pool deck to keep the water level, which reduces water resistance for swimmers. The facility also includes a pool house and bleachers.

The Copses Pool is home to Harvard-Westlake's 2013 and 2014 CIF-SS Boys' Water Polo Division I Champions, who were also named Totalwaterpolo.com's #1 ranked team in the United States.

The recently renovated O'Malley Family Field in Encino, is Harvard-Westlake's state-of-the-art baseball complex, featuring professional grade turf, drainage and irrigation systems, dugouts, bullpens, clubhouse and a covered hitting facility behind the right-field fence.

O'Malley Field is home to HW's 2013 CIF-SS Division I Baseball Champions, who were also named the 2013 *Perfect Game High School National Champions*.

The Taper Gymnasium is located on Harvard-Westlake's Upper School Campus.

Its walls, festooned with league, CIF-Southern Section, State and National Championship banners tells of the storied Wolverine athletic program.

Taper gym is home of the Wolverine Basketball and Volleyball programs.

Ted Slavin Field is located on the Upper School Campus. Built in 2003, it features an NFL-caliber Field Turf surface and a synthetic track.

It is the proud home of Wolverine Football, Soccer, Track & Field, Lacrosse, and Field Hockey.

Many of our student athletes who have graced the Ted Slavin field have gone on to professional, Olympic and collegiate success in their chosen sports.

HARVARD-WESTLAKE S C H O O L

Sports Performance

It is the mission of the Sports Performance Department to encourage each student athlete to strive for excellence.

Our primary objectives are to teach the proper fundamentals of strength and conditioning, improve athletic performance, and reduce the risk of injury.

Our sport-specific training components include ground-based movements, multi-joint movements, three-dimensional movements, explosive training, progressive overload, pillar stability, flexibility and recovery, energy system development, linear speed development and lateral speed and agility development.

- Department Chair, Jeff Crelling

HARVARD-WESTLAKE

S C H O O L

SPORTS MEDICINE

The Harvard-Westlake School Sports Medicine Program provides injury prevention, care and treatment services to the school's student-athletes. The Sports Medicine Program strives to establish itself as a model of excellence in sports medicine care.

Our services are categorized into the following areas: injury prevention (taping, bracing, padding, orthotic construction), management of athletic injuries (first aid, evaluation, referral, contest coverage) and rehabilitation of athletic injuries. We educate student-athletes about athletic injuries so they are empowered to lead healthier, injury-free lives. We use the best technology available for the prevention and treatment of athletic injuries and upgrade equipment and supplies whenever necessary.

There are four main goals of the Sports Medicine Program:

- Provide efficient and timely care to our student-athletes.
- Encourage an atmosphere that values health and wellness.
- Enable injured student-athletes to safely return to competition as soon as possible.
- Reduce the risk of athletic injury for our student-athletes.

We work closely with the strength and conditioning program, the coaches, the athletic support staff, school administration, physicians and other healthcare providers to provide the best possible healing environment for our student-athletes.

- *Department Chair, Brian Gallagher*

HEAD OF HARVARD-WESTLAKE FOOTBALL PROGRAM

Mike Burnett, Harvard-Westlake's Head Football Coach and Economics teacher, is looking forward to competing in this year's Del Rey league.

Entering his first year, Burnett comes to Harvard-Westlake from Tuscarora High School in Leesburg, VA. Burnett and his staff led the Huskies to the state finals in 2017 for the second time in eight years.

Prior to Tescarora, Burnett was the head coach at Broad Run High School in Ashburn, VA, where his team won back-to-back state championships in 2008 and 2009.

In 2015, Burnett was named the NFL National Coach of the Year. He was also named the Virginia Preps Region II Coach of the Decade as well as Potomac District & Northern Region Coach of the Year in 2014, 2015, and 2017.

Burnett has a National Board Certification in Social Studies and History. He was named the Los Angeles County Most Inspirational Teacher in 2001-2002, named Outstanding Teacher by the University of Chicago in 2005, and the Outstanding Educator by Lynchburg College in 2009.

Burnett graduated Magna Cum Laude from Bowdoin College and earned his J.D. from Suffolk University Law School. Burnett now resides in Studio City with his Wife, Kim, and two sons, Samuel and Jack.
