

January 4, 2023

Natalie Morgan resigns as the Girls Volleyball Program Head at Harvard-Westlake to become the Recruiting Coordinator and Assistant Coach of Long Beach State University.

Morgan arrived at Harvard-Westlake from Loyola Marymount University in the Spring of 2021. She made an immediate impact with the Harvard-Westlake girls volleyball program, leading the varsity team to the 2021 CIF Southern California Regional and CIF California State Championships in her first season in charge.

"I am so grateful for my experience at Harvard Westlake and the opportunity to work for this incredible school and community," said Morgan. "Winning the state championship was a highlight of my career. I would like to thank the administration and coaches for all of their guidance, and the students who gave everything to their team. I will be rooting for the program's continued success."

"We would like to thank Natalie for all that she has done for our program," said Terry Barnum, Head of Athletics at Harvard-Westlake. "Winning the CIF Division I State Championship in 2021, was an achievement that we will treasure for years to come. We wish her the best of luck for the future."

The search for a new program head begins immediately.
