**HARVARD-WESTLAKE**

---

Students, faculty and staff, alumni, friends, families, and neighbors gathered at the upper school last Saturday for a festive and fun Homecoming, Harvard-Westlake's largest community-wide event of the year. The girls field hockey, girls volleyball, boys water polo, and football teams all competed while the cheerleading squad, HW Fanatics, and drumline got everyone in the spirit from the sidelines. Meanwhile, the crowd around the field enjoyed carnival rides, games, and food booths representing nine of HW's parent affinity groups. In the afternoon, HW partner Angel City Sports, an LA-based nonprofit providing free adaptive sports opportunities for kids, adults, and veterans with physical disabilities or visual impairments, hosted a wheelchair basketball game in Hamilton Gym. Many thanks to the more than 500 Harvard-Westlake Parents volunteers who organized and ran this all-day celebration—and to the security and maintenance crew who helped make the day possible.
