HARVARD-WESTLAKE AT A GLANCE

Harvard-Westlake School is an independent coeducational college preparatory day school, grades 7-12. It is the result of a merger between Harvard School, founded in 1900, and Westlake School for Girls, established in 1904. Coeducation began in September of 1991.

Student Profile

- 1599 students enrolled
- 727 at Middle School (Grades 7-9)
- 872 at Upper School (Grade 10-12)
- Student to Faculty Ratio: 8:1
- Average Class Size: 16

Advanced Placement Results

In 2016, 663 Harvard-Westlake students took 1,911 A.P. tests

SAT Performance (Class of 2017)

Critical Reading: 701

Math: 729

Writing: 712

National Merit Recognition

Harvard-Westlake ranks among the top high schools in the country in number of National Merit Semifinalists. In the class of 2017, there are 75 students who received National Merit Recognition, with 26 students as National Merit Semifinalists.

Finances

Operating Budget:	\$79,000,000
Endowment:	\$95,000,000
Annual Giving:	\$ 8,300,000

Financial Aid

For the 2017-18 academic year, a total of over \$11 million was committed to aid. This represented more than 14% of the school's entire operating budget. Roughly 20% of the student body, were served. Automatic coverage of many school-related expenses raised the total of an average financial aid package to \$32,500.

HARVARD-WESTLAKE ATHLETIC FACILITIES

The Copses Family Pool on Harvard-Westlake's upper school campus is a 50-meter pool, manufactured by Myrtha Pools in Mantua, Italy.

The stainless-steel pool features a surge tank underneath the pool deck to keep the water level, which reduces water resistance for swimmers. The facility also includes a pool house and bleachers.

The Copses Pool is home to Harvard-Westlake's 2013 CIF-SS Boys' Water Polo Division I Champions, who were also named Totalwaterpolo.com's #1 ranked team in the United States.

The recently renovated O'Malley Family Field in Encino, is Harvard-Westlake's state-of-the-art baseball complex, featuring professional grade turf, drainage and irrigation systems, dugouts, bullpens, clubhouse and a covered hitting facility behind the right-field fence.

The O'Malley Field is home to HW's 2013 CIF-SS Division I Baseball Champions, who were also named the 2013 Perfect Game High School National Champions.

The Taper Gymnasium is located on Harvard-Westlake's Upper School Campus.

Its walls, festooned with league, CIF-Southern Section, State and National Championship banners tells of the storied Wolverine athletic program.

Taper gym is home of the Wolverine Basketball and Volleyball programs.

Ted Slavin Field is located on the Upper School Campus. Built in 2003, it features an NFL-caliber Field Turf surface and a synthetic track.

It is the proud home of Wolverine Football, Soccer, Track & Field, Lacrosse, and Field Hockey.

Many of our student athletes who have graced the Ted Slavin field have gone on to professional, Olympic and collegiate success in their chosen sports.

Sports Performance

It is the mission of the Sports Performance Department to encourage each student athlete to strive for excellence.

Our primary objectives are to teach the proper fundamentals of strength and conditioning, improve athletic performance, and reduce the risk of injury.

Our sport-specific training components include ground-based movements, multi-joint movements, three-dimensional movements, explosive training, progressive overload, pillar stability, flexibility and recovery, energy system development, linear speed development and lateral speed and agility development.

SPORTS MEDICINE

The Harvard-Westlake School Sports Medicine Program provides injury prevention, care and treatment services to the school's student-athletes. The Sports Medicine Program strives to establish itself as a model of excellence in sports medicine care.

Our services are categorized into the following areas: injury prevention (taping, bracing, padding, orthotic construction), management of athletic injuries (first aid, evaluation, referral, contest coverage) and rehabilitation of athletic injuries. We educate student-athletes about athletic injuries so they are empowered to lead healthier, injury-free lives. We use the best technology available for the prevention and treatment of athletic injuries and upgrade equipment and supplies whenever necessary.

There are four main goals of the Sports Medicine Program:

- Provide efficient and timely care to our student-athletes.
- Encourage an atmosphere that values health and wellness.
- Enable injured student-athletes to safely return to competition as soon as possible.
- Reduce the risk of athletic injury for our student-athletes.

We work closely with the strength and conditioning program, the coaches, the athletic support staff, school administration, physicians and other healthcare providers to provide the best possible healing environment for our student-athletes.

HEAD OF HARVARD-WESTLAKE BOYS' SOCCER PROGRAM

KRIS WARD
HEAD OF PROGRAM
BOYS' SOCCER

It is a tremendous honor to lead the Harvard-Westlake Boys' Soccer family. This is a special community; one that seeks excellence in all endeavors.

The faculty, administration, and support staff are second to none and have been unbelievably supportive. I am excited about this season and have confidence that our student-athletes will rise to the challenges in front of us and continue to push the program to unprecedented new heights"

Go Wolverines!

Kris Ward

Kris Ward is the Program Head for Boys' Soccer at Harvard-Westlake and the Director of Operations for FC Los Angeles soccer club.

Ward is also as a regional college scout for the Seattle Sounders of Major League Soccer. In this role, he has built relationships with top college programs throughout the United States.

Prior to arriving in LA, Ward was a Director of Coaching in Washington D.C., worked as an Academy Coach for D.C. United of the MLS, and as the Assistant Coach for the Washington Freedom of the Women's United Soccer Association.

Ward has collegiate experience as an Assistant Coach for Saint Mary's College in Maryland and was a Head Coach within the Maryland State Olympic Development program.

Ward is passionate about utilizing sport science for the education and development of his players. He has worked with the Seattle Sounders and other professional sports teams, to employ the latest scientific innovations to improve athletic performance.

He aims to bring state-of-the-art best practices in sports science to the Harvard-Westlake boys' soccer program and athletic department.
